

Dear ChFEBCSM certificant,

- ChFEBCSM
- Chartered Federal Employee Benefit ConsultantSM

This Guide to Use of the ChFEBCSM Certification Marks has been developed to assist you in featuring the marks in print, multimedia and online communications including business cards, letterhead, advertising, presentation materials, personal promotional literature, signage and Web sites. The Chartered Federal Employee Benefit ConsultantSM mark may only be used as described in this Guide.

The proper usage of the ChFEBCSM mark is a crucial part of your communications to current and prospective clients. When properly used, they represent standards of excellence for understanding of federal employee benefits and demonstrate your commitment to upholding your knowledge and adherence to the ChFEBCSM Code of Ethics.

The ChFEBCSM mark is not the equivalent of an educational degree; it is a professional designation. The mark represent that you have met the standards required by Federal Seminars and ChFEBCSM Inc.'s, including completing the education and examination requirements. You are therefore entitled to use the ChFEBCSM mark in conjunction with your name to demonstrate this accomplishment, so long as you abide by the rules outlined in this Guide.

These rules are important to maintaining the value of the ChFEBCSM mark. Since you worked so hard to achieve the right to use the marks, we expect you will want to protect their integrity. If the ChFEBCSM mark were used improperly and if Federal Seminars and ChFEBC Inc's, did not take reasonable action to correct the misuse, trademark protection could be lost. This would mean that Federal Seminars and ChFEBCSM Inc's, would not be able to stop persons from using the mark without having first met Federal Seminars and ChFEBC Inc.'s, high standards. This would be detrimental to the public who perceive the ChFEBCSM marks as indicating that the persons displaying them have met certain standards in education, experience, ethics and examination. Federal Seminars and ChFEBCSM Inc.'s, spends a significant portion of its legal staffs time and budget pursuing misuse and unauthorized use of the ChFEBCSM mark to ensure the day never arrives where anyone could use them without having first met all the requirements.

Please become familiar with this Guide and apply its rules and guidelines when developing collateral pieces that feature the ChFEBCSM mark. 4. WHY IS Federal Seminars and ChFEBCSM Inc., SO CONCERNED WITH ENFORCING CORRECT USE OF THE ChFEBCSM MARKS?

Enforcement of the ChFEBCSM mark is consistent with our mission. It is important that the ChFEBCSM certification marks do not fall into common use. If Federal Seminars and ChFEBCSM Inc. fails to take appropriate steps to prevent generic use of it's mark, it could lose its trademark rights, which would mean anyone could say he or she is a " ChFEBCSM," even if they have not met Federal Seminars and ChFEBCSM Inc. rigorous certification requirements. If the mark no longer stands for the competent and ethical standards Federal Seminars and ChFEBCSM Inc. has established, then we will be unable to assure the public that persons displaying the ChFEBCSM mark have in fact met our standards.

5. WHY MUST I USE THE SM SYMBOL MARK WHEN OTHER PROFESSIONALS, SUCH AS DOCTORS, LAWYERS AND CPAs, DON'T HAVE TO?

Professionals such as doctors, lawyers and CPAs are governed by state law and earn degrees and titles such as M.D. and J.D. that are granted by many different colleges and universities. By contrast, ChFEBCSM professionals earn certification of their services solely from Federal Seminars and ChFEBCSM Inc., and with that, the permission to use the ChFEBCSM certification mark. If an individual calls him or herself a CPA when he or she is not, the state has jurisdiction to sanction the individual. Federal Seminars and ChFEBCSM Inc. only jurisdiction over an individual who improperly calls himself a ChFEBCSM professional is to bring a civil lawsuit based on trademark rights. Proper use of the ChFEBCSM mark and associated symbols by ChFEBCSM certificants assists Federal Seminars and ChFEBCSM Inc. in maintaining its rights to the mark and its ability to

certify practitioners.
